

# **WASHINGON STATE** PROUD OF CAPITAL

## Favor a Liberal Policy Toward This City.

Citizens of the state of Washington are enthusiastic over the development and improvements of his commonwealth at a largely attended meeting | of the Citizens' Northwestern Suburban Association, held in the Masonic Hall And I'll be sunburned, I suppose, at Tenleytown, last night.

lecture on the National Capital. He said last night that he was pleased to find the people of the great northwest morning went away, all blithe and the capital of the nation.

#### Would Distribute Burden.

In the course of his talk Mr. Jones to the people of the entire country, the burden of supporting the National Capital should not be placed on the shoulders of the few people who live here. but should be shared by the people of the country at large. He said he favored appropriating liberally for the improvement of the city.

At the conclusion of his lecture, in which slides were used showing the

#### President's Annual Report.

President Lancaster made his annual the work of the organization during two decades, and outlined the plan of work for the next year. Owing to the lateness of the hour the election of officers was postponed until a special meeting to be called June 16.

Mr. Lancaster spoke favorably of the proposed plan to admit women as members of the association. Following the report, refreshments were served.

A resolution, offered by Fred J. Helder, protesting against legislation in the District appropriation bill providing that half the cost for paving or repaying any roadway twenty feet from the side thereof shall be paid by the abutting property was passed.

A resolution, offered by Fred J. Helder, protesting against legislation in the District appropriation bill providing that half the cost for paving or repaying any roadway twenty feet from the side thereof shall be paid by the abutting property was passed.

A resolution, offered by Fred J. Helder, protesting against legislation in the District appropriation bill providing that half the cost for paving or repaying any roadway twenty feet from the side thereof shall be paid by the cost, visiting several ports before coming here July 25.

The cadet training ship will remain here for four days, during which first-class and cadet engineers will be examined for promotion, when not seeing the sights of the city. From Washing-ton the litasca will drop down the river to Winthrop. Md., and the cadets will be given a course in marksmanship at the United States marine rife range.

About two weeks will be spent on the same and admit women as members of the witch Scene From "Macbeth" a Feature—Musical Numbers Given.
